1. Section 4.9.1 of the Centre Hastings Comprehensive Zoning By-law, 2002-10, as amended, which regulates development in proximity to a floodplain.

**The effect of this application:** is to permit increased lot coverage of 18.25% and to allow the extension of the existing building footprint in accordance with the established building line for a legal non-conforming structure within the 30m setback of the regulatory floodplain.
