Small Town, Big Respect Community Litter Challenge

Keeping Centre Hastings Clean, One Piece at a Time

A clean community is something we can all be proud of. This challenge encourages residents of all ages to work together to help keep our parks, trails, roadsides, schools, neighbourhoods, and public spaces clean and welcoming.

🎯 The Challenge

I challenge myself to:

- Pick up at least **10 pieces** of litter in my neighbourhood, park, trail, schoolyard, or community space.
- Dispose of waste properly and recycle whenever possible.
- Encourage friends, family, classmates, and neighbours to participate.
- Help protect local wildlife, waterways, and natural areas by keeping litter out of the environment.
- Take pride in making Centre Hastings a cleaner and more welcoming community.

📸 Share Your Impact

When you've completed the challenge:

📸 Take a photo of yourself, your group, or the area you helped clean up.

📱 Share it on social media using:

#SmallTownBigRespect #CentreHastingsCleanUpChallenge

Don't forget to tag the Municipality of Centre Hastings so we can celebrate your efforts!
