Small Town, Big Respect Community Pledge

It Starts With Me

The strength of our community is built through the actions of its residents. By taking this pledge, I commit to helping make the Municipality of Centre Hastings a welcoming, respectful, and caring place for everyone.

I pledge to:

- Treat others with kindness, dignity, and respect.
- Use positive words and actions that help build a stronger community.
- Support my neighbours and lend a helping hand when I can.
- Take pride in my community by helping keep it clean, safe, and welcoming.
- Practice patience and respect on our roads, trails, parks, and public spaces.
- Support local students, youth, volunteers, and community organizations. Celebrate the contributions of others and recognize those who make a difference.
- Lead by example and encourage respect, inclusion, and understanding in my daily life.

I understand that small actions can make a big difference, and that respect starts with me.
